SALUTE

— MULTI CUISINE RESTAURANT —

## *Feast Like Royalty!*

21 Gun Salute Restaurant offers authentic royal food and the splendor of royal palaces. The ancient recipes and cooking secrets that have been passed down the generations are rarely revealed; these guarded recipes have been handed over to us. Our dishes are exactly like the cuisines that the royal khansamas (cooks) once made for their rulers during a time when kings ruled and heritage hotels were actual palaces.

Bringing the ancient royal cuisine of various erstwhile princely states to the contemporary dining experience in the city is what 21 Gun Salute Restaurant does. We offer an array of majestic dishes closest to what was served in the long-gone times of the Maharajas. Traditionally, the highest level of Indian cuisine has been found in the royal kitchens of the maharajas of the then Indian princely states and our endeavor to keep that great royal culinary tradition alive.

We have inherited a great culinary legacy, from the princely India and we want the world to enjoy that!
